

PEER LEARNING B.SC SECOND YEAR (COMPUTER SCIENCE)

On 21/11/2022 the department of computer science organized peer learning session for the students of second year . Students were divided in groups of four.

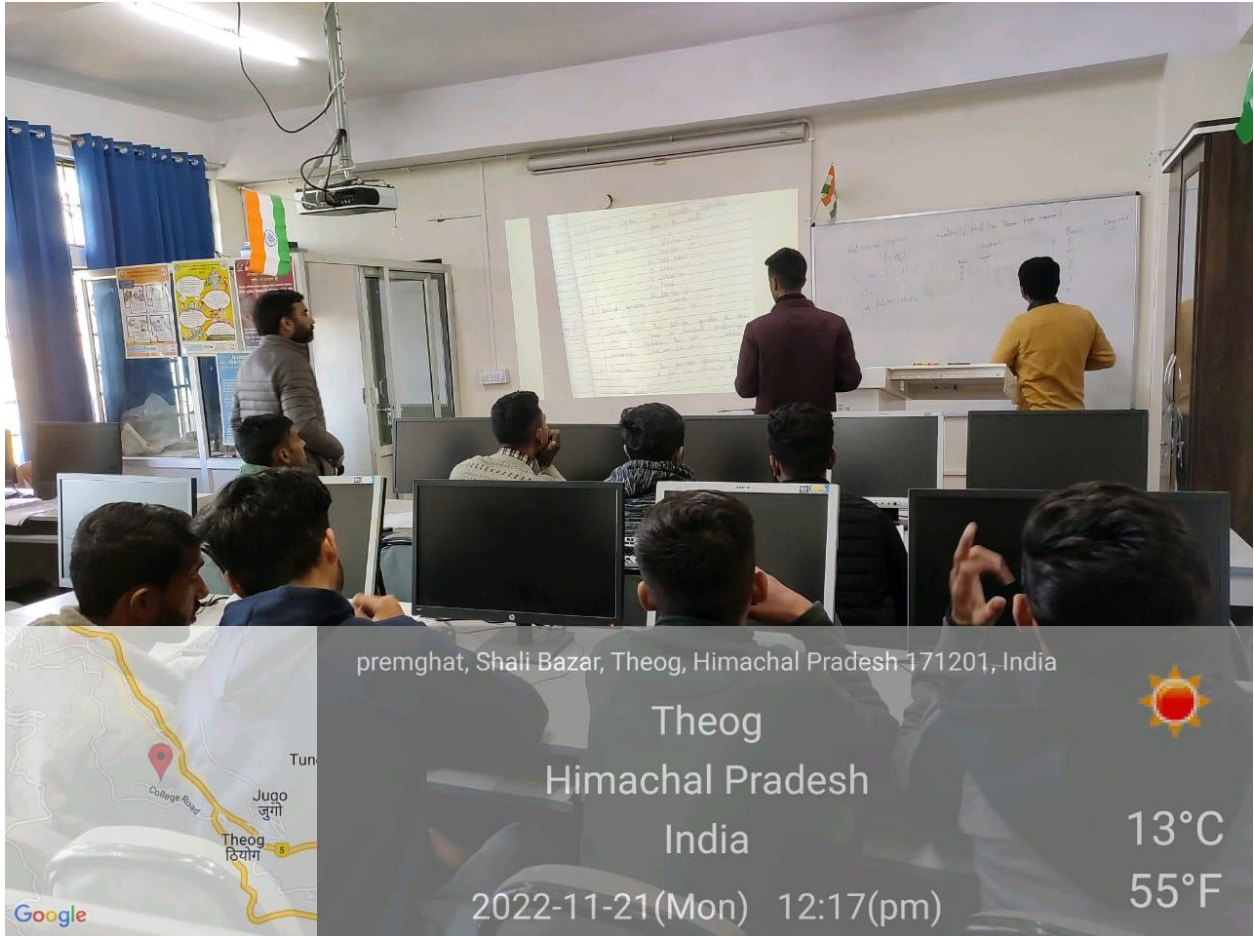

They had to work in team and each member of the team had to explain/illustrate one sub topic through presentation , visualizer or white board.

Questions were asked by the group to other students and even the teacher asked questions from team.

Feedback was given to students at the end of the session .

Ishan Explaining his Topic (Normalization)
