

A Report on Good Governance 16th October 2023

The Department of Political Science, in collaboration with the Public Administration department, organized an engaging event to promote awareness about good governance. The event featured various activities, including poster making, slogan writing, and declamation, and attracted the participation of more than 50 enthusiastic students. These competitions enhance imaginary skills and creativity skills of students. The esteemed judges for the event were Dr. Rashika Sharma and Dr. Kalpana. Judges conducted a session to educate students on crucial governance principles such as Transparency, Responsiveness, Accountability and Rule of law.
