

AIDS AWARENESS TRAINING PROGRAMME

20 November, 2023

AIDS awareness training programme was held at RKMV Shimla , and the session was conducted on 20th November 2023 .

This training was designed and implemented with the primary objective of educating individuals about transmission , prevention , and stigma associated with HIV/AIDS. The program aimed to foster a better understanding of the disease and empower participants to make informed decision regarding their health.

The training included the participation of 16 colleges including GDC THEOG. The training saw an active participation of Nodal officer (Dr Nidhi Dathwalia) along with three students of Red Ribbon Club , highlighting the involvement of youth in promoting awareness.

District AIDS counsellor Mrs Remender Manchenda played a pivotal role in raising awareness about AIDS through her presentation . Her impactful delivery and informative content left a lasting impression on the audience . The presentation concluded with the call , urging the audience to share the knowledge gained with their communities and actively participate in initiatives aimed at preventing and combating AIDS.

After her presentation an interactive round was held in which students shared their experience of joining red ribbon club.

Nodal officer Dr Nidhi Dathwalia also had an interaction with the audience where she shared her experience of being the part of Red Ribbon Club, also motivated the audience to create awareness regarding AIDS.
