

Report on Career Counselling November, 2020

In November 2020, the career counselling and placement cell Govt. College Theog organized a comprehensive virtual career counselling session for B.A. 3rd-year students at Government College Theog. The primary aim of this initiative was to equip students with the necessary knowledge and tools to make informed decisions about their future careers. During the session, representatives from Bajaj Group provided an overview of various career opportunities available to graduates, highlighting industry trends and the skills most sought after by employers. They emphasized the importance of soft skills, adaptability, and continuous learning in today's competitive job market.

The session included practical workshops on resume writing, where students learned how to effectively showcase their skills and experiences. Additionally, there was a segment on interview techniques, providing students with tips on how to present themselves confidently and respond to common interview questions. The Bajaj Group also stressed the value of professional networking and offered strategies for building a strong professional network.

Students were encouraged to ask questions throughout the session, making it highly interactive and tailored to their specific concerns and aspirations. This personalized approach helped address individual queries and provided targeted advice. The initiative by the Bajaj Group was well-received, with students expressing appreciation for the practical insights and guidance provided. This session significantly contributed to their understanding of the job market and their preparedness for future career challenges.
