Orientation and Counselling Session

26 July, 2023

On 26 July, 2023, an induction program was organized by the Department of Mathematics and the Career Counselling, Guidance & Placement Cell of the college for B.Sc. 1st-year and B.A. 1st-year students. In this program, various career opportunities and the scope for higher studies available to mathematics students were explained. They were also made aware of the CBCS and the number of courses/credits they need to accumulate each year with respect to DSC, AECC, and DSE.
