Report on Ozone Day Celebration Mathematics Department | 16 September 2025

The Mathematics Department celebrated Ozone Day on 16 September 2025 with the objective of creating awareness about the importance of the ozone layer and the need for its conservation. The programme began with a brief welcome, followed by an address by the Head of Department, Mr. Chandresh Kumar, Assistant Professor of Mathematics, who highlighted the scientific significance of the ozone layer and encouraged students to adopt environmentally friendly practices. Students also delivered a short speech and presentation explaining the causes of ozone depletion, its harmful effects, and global initiatives aimed at protecting the ozone layer.

Overall, the Ozone Day celebration was informative and engaging, successfully spreading awareness among students and strengthening their sense of responsibility toward environmental protection.
