Students' Orientation Programme

Date: 10th August 2024

Venue: Government Degree College, Theog

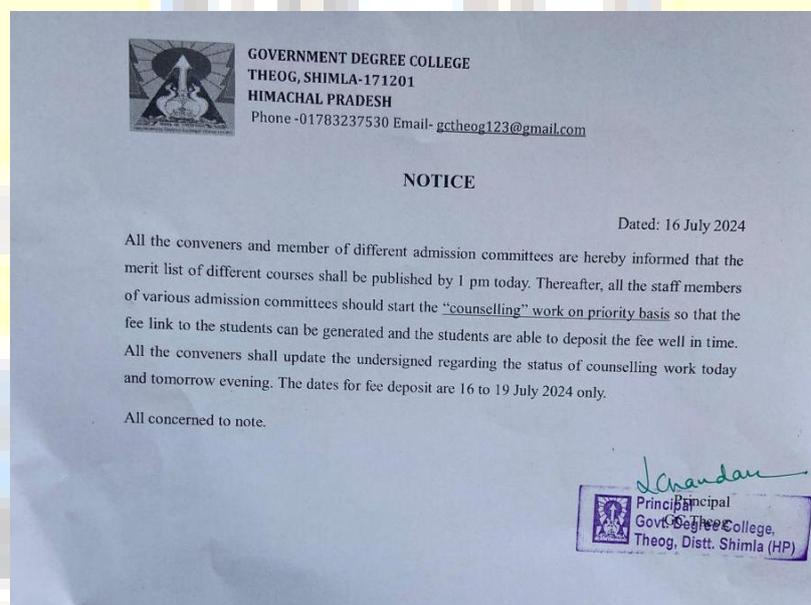

Government Degree College, Theog organised a Students' Orientation Programme for newly admitted first-year students with the objective of familiarising them with the academic framework, institutional policies, and student support mechanisms of the college, thereby ensuring a smooth transition into college life. The programme witnessed the active participation of faculty members and first-year students.

At the outset, an orientation session was conducted wherein students were briefed about the Programme Outcomes (POs) and Course Outcomes (COs) to enable them to understand the academic structure, learning objectives, evaluation process, and the competencies expected upon successful completion of their programmes. This was followed by faculty-wise orientation, during which faculty members from various departments interacted with students and provided subject-specific guidance regarding course structure, teaching-learning methods, internal assessment, and departmental activities.

Subsequently, students were acquainted with the various Clubs and Societies functioning in the college and were encouraged to participate actively in co-curricular and extracurricular activities for their holistic development. Detailed information was also provided regarding the Anti-Ragging Committee, Internal Complaints Committee (ICC), and the Women Cell, highlighting the institution's commitment to maintaining a safe, inclusive, and disciplined campus environment.

Following the orientation sessions, the **Principal, Dr. Lalita Chandan**, addressed the students and formally concluded the programme. In her inspirational address, she emphasised the importance of education as a key factor in personal and professional success. She advised students to maintain discipline, attend classes regularly, make effective use of time, and uphold the values of responsibility and ethical conduct throughout their academic journey.

The programme concluded with an interactive session, providing students with an opportunity to seek clarification regarding college rules, support systems, and opportunities for academic and personal growth. The orientation and message programme proved to be informative and motivating, equipping students with clarity and confidence at the beginning of their college education.
