“Green Initiative” Tree Plantation Drive

Venue: Chai Dhala, Theog

Date: 10th August 2024

Organisers: NSS Unit of Government Degree College, Theog

Program Cordinators: Dr. Vikas Nathan and MS. Chetna Negi

The NSS Unit of Government College Theog, in collaboration with the NCC Unit and the Forest Department, organized a **tree plantation drive** at **Chai Dala, Theog**. The initiative was aimed at promoting environmental conservation and enhancing the green cover in the area.

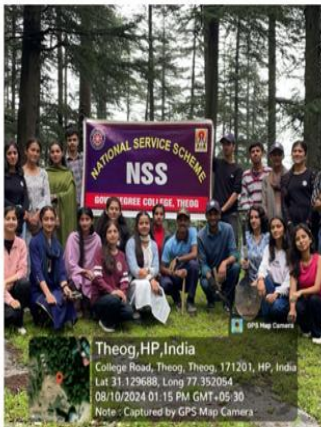

The event witnessed active participation from **over 50 enthusiastic volunteers**, including NSS and NCC cadets, staff members, and representatives from the Forest Department. Under their collective efforts, **approximately 200 saplings** of various indigenous species were planted, ensuring ecological suitability and long-term sustainability.

The Forest Department provided technical guidance and saplings for the drive, while the volunteers contributed by preparing the site, planting the saplings, and watering them. The event also included a short session to educate participants about the importance of afforestation and post-plantation care to ensure the survival and growth of the saplings.

This initiative reflected the shared commitment of the NSS Unit, NCC Unit, and the Forest Department to protect the environment and raise awareness about ecological preservation. The event concluded successfully, leaving a positive impact on the local ecosystem and fostering a sense of responsibility among the volunteers.
