Career Counselling and Placement Cell (CCPC): GC Thang
A meeting of Career Counselling and Placement Cell was held on 18.08.2022 under the Chairmanship of Principal Dr. Lalita Choudhan. Dr. Ravinder Chauhan convened the meeting at 1:20 pm in the Conference Hall. Following points were discussed in the meeting.

Minutes:-

1. It was unanimously decided by the members of CCPC that a proforma will be devised for students' registration before Counselling.
2. Information related to students will be taken from interested students, e.g. name, class, roll no., e-mail and contact no. etc.
3. CCPC will divide its activities into two parts -
i.e. Counselling for first year students and information regarding Career placement will be imparted for third year students.
4. Counselling of students will be done by concerned Subject Teachers.
5. Seminars and talks ~~can~~ would be organised for students of third year (BA/BSc./B.Com.) regarding Career opportunities and placement.
6. It was suggested by Principal that members of CCPC will try to be in contact with any Career Counselling Firm/ Job providing firm like Adani group, Kaushal Nigam & Tata group etc. Further, it was also suggested by the Principal that 'resource person' can be invited for seminars and talks.
7. It was also suggested by the members of CCPC that a feedback form can be

provided to students to get their views on
organised talks and seminars and also
their career options.
8. It was decided in the meeting that an
activity calendar will be made to
conduct students counselling smoothly.
9. Four groups will be framed to conduct
activities of CCPC, e.g. Humanity group,
language group, science group and Commerce
group.

10. A CCPC banner will be displayed in
the venue during activities.

11. Principal, Dr. Lalita Chandan further directed
that the CCPC should be active enough
and its activities will be formal and
purely academics.

12. Venue, date & time will be fixed accordingly.

Though principal Dr. Lalita Chandan
suggested 26th of August, 2022, as tentative
date for counselling of 1st year students.

The meeting was ended with vote
of thanks by Dr. Ravinder Chauhan.

Workshop DAY-II
27th Feb. 2024

On Day II of the Skill Enhancement Workshop (Six Days) organised by C.C.P.C. Shri Om Prakash from Theog, who operated a small business, was our resource person. He taught our students to make Baskets and Kiltas that are used to store fruits and vegetables like tomatoes, apples etc. He gave a live demonstration to students that how from sticks and thread within no time perfect baskets and Kiltas can be made. As we all know, Theog is a major producer of unseasonable vegetables, which opens up opportunities for small-scale businesses.

The best part about these baskets and kittas is that the raw material needed for the same is free of cost. To start-up a small scale business there will be no huge investment as raw material is easily available in form of plants and trees naturally. Day two of the workshop was conducted by Dr. Rashika Sharma.

Subject: Regarding permission for one-day visit-cum-workshop for the students of GC Theog in your institution.

Respected Sir

On behalf of the *Career Counselling & Placement Cell (CCPC)* of Govt. College Theog, the following request is hereby placed before your good self for your approval:

1. That a one-week workshop on 'up-skilling' is underway at GC Theog which is being organized by the *Career Counselling & Placement Cell (CCPC)* of the college.
2. In this regard, we intend to up-skill our students in the "Electrical" department too and this won't be possible without your co-operation.
3. Therefore, you are kindly requested to allow a delegation of 15-20 students of our college, both male and female, to visit your campus for a one-day visit-cum-workshop in the "Electrical" department on 28-02-2024 and you are requested to spare one of your faculty, that is, Instructor (Electrical), for this one-day visit-cum-workshop. The delegation shall be lead by two members of the CCPC, Prof Basant Lal and Prof Pratibind Pandey, Assistant Professor(s) of Political Science and History, respectively.

Please do the needful and oblige. We shall be thankful.
Warm regards.

The Career Counselling and placement cell of Govt. Degree College Meer organized Career Counselling sessions for the B.A., B.Com and B.Sc 1st Year students on 01-08-24 in the college in Room No. 08 and 09 and Seminar Hall respectively. The Basic purpose of conducting the Career Counselling sessions for 1st year students of all the streams was to familiarize them with the Career opportunities in different streams. Keeping in view the uncertainties w.r.t. the Job prospects and state of literature with respect to Career opportunities organizing these sessions was thought to be necessary and inevitable at institutional level. All the three streams i.e. Arts, Commerce and Science took part in this Counselling sessions and teachers had wide and comprehensive discussions and deliberations on Career opportunities in various fields. 26th September 2024

The informative session on Intellectual Property Rights (IPR) was organised by Career Counselling & Placement Cell of the college on 26th Sept. 2024 to raise awareness among students regarding the significance of IPR, with a special focus on patents. The session was delivered by Mr. Akarsh Sharma, Risk Consultant at PWC, one of the renowned company a specialist in filing of Patents and Alma Mater, Shoolini University of Biotechnology and management Sciences. The lecture aimed to guide students on the fundamentals of Intellectual Property Rights, emphasizing the importance of protection innovations and creations in various fields.

The speaker began the session with a comprehensive introduction to Intellectual Property Rights (IPR), explaining how intellectual property encompasses creations of the mind. The primary focus of the lecture was on patents which protect inventions by granting exclusive rights to inventors for a specified period. The key criteria for a Patent were outlined, including novelty, non-obviousness and industrial applicability etc. The resource person guided the students through the step-by-step process of obtaining a patent and benefits of obtaining a patent were also discussed in detail.

The lecture concluded with an interactive Q & A session where students raised various queries regarding the patenting process, the cost involved and the potential challenges faced
