Report on Academic Counseling and Orientation Session for Science Students

Government Degree College Theog

Academic Counseling and Orientation session for newly admitted science students was organized at Government Degree College, Theog on 30 June 2025. As it marked the first day of their academic journey, the programme commenced with a warm welcome address by Dr. Nidhi Dhatwalia, Dean of Sciences, who greeted the students and introduced them to the faculty members of the Science stream.

The session witnessed participation from all departments of GDC Theog and addressed various issues related to admissions, subject choices, and career opportunities across different disciplines. The faculty members present included Dr. Rajendra Prakash (Department of Botany), Dr. Yesh Desh Dulta (Department of Physics), Dr. Vikas Nathan (Department of Chemistry), Dr. Mritunjay (Department of Computer Science), Dr. Anamika (Department of Chemistry), and Dr. Chandresh Verma (Department of Mathematics). A brief self-introduction session by the students followed, creating an interactive and friendly environment.

The objectives of the session were clearly outlined, and students were encouraged to feel confident, motivated, and comfortable in their new academic setting. This was followed by a guided tour of the campus, during which students visited various laboratories including Zoology, Botany, Physics, Chemistry, and Computer Science. They were introduced to the available equipment and practical facilities.

The students were also oriented to the college library by Librarian Dr. Munilal Sharma, who explained the resources and services available to support their academic needs. A visit to the Department of Physical Education further acquainted students with sports facilities, where Dr. Vikram Singh Thakur recorded their basic measurements and encouraged active participation in sports and extracurricular activities.

Additionally, students were informed about various extension activities and were motivated to join units such as NSS, NCC, Red Ribbon Club, Women's Cell, and Rovers and Rangers. The session highlighted the college's vision of holistic development, emphasizing discipline, dedication, and active involvement in both academic and co-curricular pursuits.

Department of Chemistry Government College Theog Report

Overall, the programme proved to be highly informative and engaging, helping students gain clarity about their academic paths while instilling confidence and enthusiasm as they embarked on their journey at Government Degree College, Theog.
