REPORT ON TALLY COMMERCE APTITUDE TEST (TCAT)

06 October 2026

Activity	Tally Commerce Aptitude Test (TCAT)
Collaborating Partner	Sai Digitech Professional Institute (SDPI), Shimla
Organised by	Department of Commerce, Government Degree College Theog
No of Students Participated	51

The Department of Commerce, Government Degree College Theog,organiseda Tally Commerce Aptitude Test (TCAT) on 06 October 2026 in collaboration with **Sai Digitech Professional Institute (SDPI)**, Shimla, a Tally Education Master Partner. The activity was aimed at providing students with an opportunity to assess their commerce and accounting aptitude through an industry-oriented assessment.

The programme was coordinated under the guidance of Prof Pardeep Thakur, Head of the Department of Commerce, who supported the initiative and encouraged students to participate in industry-linked learning opportunities. Prof. Ritika Panjta, Assistant Professor, welcomed the resource persons and students and highlighted the importance of practical and digital accounting skills for Commerce students.

Key Highlights

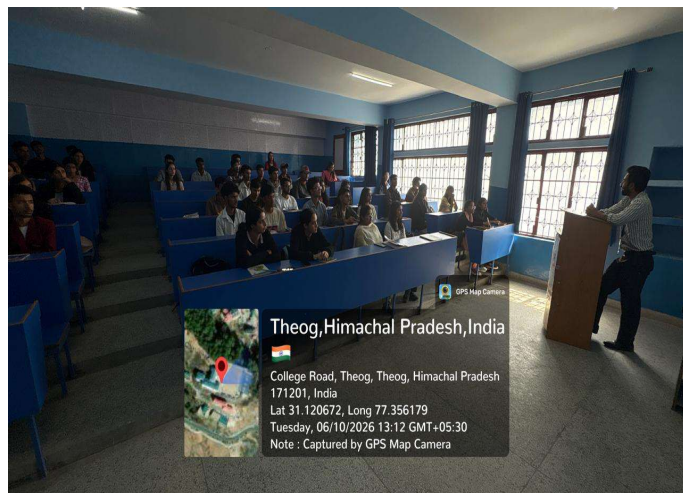

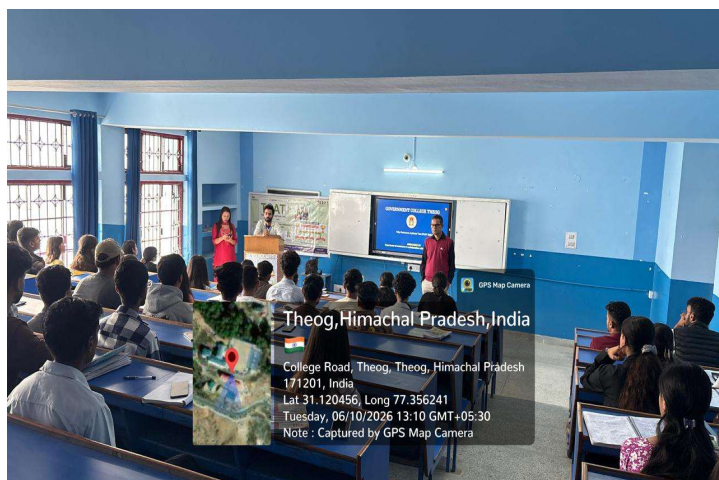

- Assessment of students' Commerce, Accounting and aptitude knowledge through a structured test.
- Exposure to industry-oriented digital accounting skills and awareness of career opportunities in Accounting, Finance And Taxation.
- Opportunity for students to identify their strengths, understand areas for improvement and make informed academic and career choices.

The collaboration with SDPI helped bridge the gap between classroom learning and practical, industry-relevant skills. The activity familiarized students with the importance of computerized accounting and professional skill development and encouraged them to explore opportunities in Accounting, Finance And Taxation. It also promoted career awareness and employability-oriented learning alongside their B.Com studies.

The activity concluded with a Vote of Thanks by Prof. Ritika Panjta, Assistant Professor, who expressed gratitude to SDPI and its representatives for providing the students with this

valuable learning opportunity. She also acknowledged the guidance and support of Prof. Pardeep Thakur, Head of the Department, and appreciated the active participation of the students.

Overall, the TCAT activity was a useful academic and career-oriented initiative that strengthened the connection between Commerce education and industry requirements and encouraged students towards continuous skill development.
