Report on ICC Awareness & Counselling Session

Dated: 20th August 2026

The Internal Complaints Committee (ICC) of Government Degree College, Theog, organised an Awareness and Counselling Session for First-Year Students on 18th August 2026. The session aimed to sensitise students about their rights, responsibilities and the importance of maintaining a safe, respectful and harassment-free campus environment.

The students were made aware of the Sexual Harassment of Women at Workplace POSH Act, 2013 (Prevention, Prohibition and Redressal). The session covered the meaning and various forms of sexual harassment, inappropriate behaviour, the importance of consent and mutual respect, and the need to maintain dignity and safety within the college environment.

The students were also informed about the role and responsibilities of the Internal Complaints Committee in providing assistance, receiving complaints and facilitating appropriate redressal of concerns related to sexual harassment.

Students were informed that complaints and related proceedings would be handled with due confidentiality and that sensitive information would not be disclosed unnecessarily. The students were encouraged to approach the Committee without fear, hesitation or embarrassment, with the assurance that their concerns would be dealt with sensitively and confidentially. A complaint box is installed in the college for their convenience.

The members of the Internal Complaints Committee were also introduced to the students for guidance, counselling or assistance.

The students were informed that they could communicate their concerns to the ICC through its official email address:
