## Department of Commerce

### Government College Theog

The Department of Commerce, Government College Theog, organized an Academic and Career Guidance Programme in collaboration with Jaypee University of Information Technology (JUIT), Wahnaghat, District Solan (H.P.). The programme was conducted with the objective of exposing students to higher education opportunities, management studies, innovation-driven learning, and emerging career prospects in the dynamic business environment.

The event witnessed enthusiastic participation from students of B.Com I, II and III Year. The programme aimed to bridge the gap between undergraduate studies and professional career planning by providing expert guidance from experienced academicians.

The programme formally commenced with a warm and dignified welcome address by **Ms. Ritika Panjta**, Assistant Professor, Department of Commerce. In her address, she extended a cordial welcome to the esteemed resource persons from JUIT and highlighted the importance of such academic interactions in shaping students' future. She emphasized that in the present era of globalization and digital transformation, students must equip themselves with leadership skills, critical thinking ability, creativity, and adaptability.

The distinguished faculty members from JUIT who served as resource persons were:

- **Dr. Vaishali**, Faculty Member, JUIT
- **Dr. Poonam**, Faculty Member, JUIT

Dr. Vaishali delivered an insightful session on **Innovation and Creativity in Business**, explaining how innovative thinking and problem-solving skills are essential in today's competitive market. She motivated students to think beyond conventional approaches and encouraged them to explore entrepreneurship and research opportunities.

Dr. Poonam conducted an engaging session on **Choosing the Right MBA and Career Planning in the Age of AI**. She elaborated on how students should evaluate MBA programmes beyond rankings and brochures, focusing on specialization, skill development, institutional exposure, and industry linkage. She also discussed the impact of Artificial Intelligence on business and management careers, guiding students on how to remain relevant in the evolving job market.

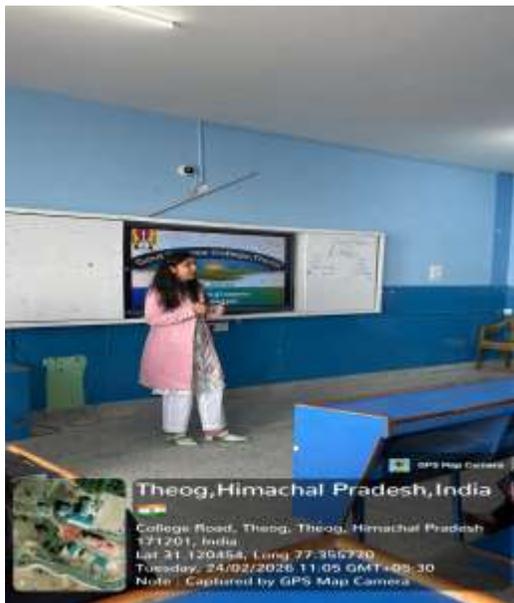

The sessions were interactive in nature, where students actively participated by asking questions related to admissions, career options after B.Com, competitive examinations, skill enhancement courses, and personal development strategies. The resource persons addressed all queries patiently and provided practical suggestions for academic growth.

The faculty members present from the Department of Commerce were:

- **Sh. Pardeep Thakur**, Head of Department
- **Ms. Ritika Panjta**, Assistant Professor
- **Dr. Vikas Nathan**, Assistant Professor

The programme concluded with a formal vote of thanks delivered by **Sh. Pardeep Thakur**, Head of the Department of Commerce. He expressed sincere gratitude to Dr. Vaishali and Dr. Poonam for sparing their valuable time and delivering such enlightening sessions. He also appreciated the efforts of the organizing team and the active participation of students, which made the programme a grand success.

Overall, the event proved to be highly informative, motivational, and beneficial for the students. It reflected the continuous commitment of the Department of Commerce, Government College Theog, towards academic excellence, career guidance, and holistic development of students. The department looks forward to organizing more such collaborative programmes in the future to strengthen institutional linkages and enhance student learning outcomes.
