Introduction

On December 1, 2025, the Red Ribbon Club (RRC) of Government Degree College, Theog, in a joint collaboration with the NCC (National Cadet Corps) and NSS (National Service Scheme) units, observed **World AIDS Day**. The event was organized to raise awareness about the Acquired Immunodeficiency Syndrome (AIDS) pandemic caused by the spread of HIV infection and to mourn those who have died of the disease.

The event commenced with the pinning of the symbolic **Red Ribbon** on the Principal, staff members, and students, signifying support for people living with HIV. The program was presided over by the College Principal, **Dr. Bhupinder Singh Thakur**, who emphasized the importance of spreading correct information to combat the stigma associated with the disease. The event concluded with a solemn pledge (oath) administered to all students and staff, promising to abstain from drug abuse (a major vector for HIV transmission) and to treat HIV-affected individuals with dignity and equality.
