

Report on Celebration of NSS Day

The NSS Unit Govt. College Theog celebrated NSS Day with great enthusiasm on 24 September 2025. The programme aimed to reinforce the spirit of social service and community awareness among the volunteers.

About 96 NSS volunteers were part of the celebration and actively participated in a series of meaningful activities focusing on awareness of social issues and promoting a cleaner and greener environment. Apart from the main event, poster-making and slogan-writing competitions were also organised to creatively engage the volunteers and spread awareness messages. All the volunteers enthusiastically discussed and appreciated the important role of NSS in shaping the life and personality of a student.

A major highlight of the celebration was a powerful Nukkad Natak performed by the volunteers on the theme “Drug Abuse: Destroying Youth, Destroying Future.” The performance effectively conveyed the harmful consequences of drug abuse and sensitized the audience about the growing menace of substance abuse in society. The act was well-coordinated and received an encouraging response.

Dr. Bhupinder Singh Thakur and other staff members highly appreciated the sincere efforts and impactful performances of the NSS volunteers. Their words of encouragement motivated the volunteers to continue contributing positively towards society.

The programme concluded on an inspiring note, reaffirming the commitment of the NSS Unit towards building a responsible, aware, and healthy community.
