

Disaster Management Awareness Programme (23rd July, 2026)

Government College Theog organized a **One-Day Disaster Management Awareness and Training Activity** on 23rd July to sensitize students to disaster preparedness, emergency response, and safety measures. More than **100 students** of the college participated in the programme, including **50 NSS volunteers**, reflecting strong student engagement and institutional commitment to disaster-risk awareness. The training was conducted by a team from the **14th Battalion, National Disaster Response Force (NDRF), Jassur (Nurpur), District Kangra, Himachal Pradesh**, comprising **Inspector Dayanand** and team members **Lakhwinder Singh, Sunil Kumar, Kamlesh Kumar, and Manohar Singh**. The trainers provided students with practical and informative guidance on disaster preparedness, response mechanisms, personal safety, and appropriate action during emergencies. The activity emphasized the importance of awareness, preparedness, coordination, and timely response in minimizing the impact of disasters. The **Principal of Government College Theog** addressed the participants and motivated them to develop a responsible and informed approach towards disaster management. He highlighted the relevance of such training programmes for students and the wider community and expressed his gratitude to the NDRF team for imparting valuable knowledge and practical guidance. The **NSS Programme Officers, Dr. Hemlata and Dr. Arun**, were also present throughout the programme. The programme concluded with an emphasis on the need for continuous disaster-awareness initiatives and active student participation in building a safer and more resilient community. The activity was both educational and practical, equipping students with essential knowledge and a greater sense of responsibility towards disaster preparedness and emergency response.
