

NSS Volunteers' Regular Activity – Managing and Serving Refreshments **(28th July 2026)**

On 28th July 2026, NSS volunteers actively participated in the **College Induction Programme for First Year Students** by managing and serving refreshments to the newly admitted students. The volunteers efficiently coordinated the arrangements, ensured smooth distribution of refreshments, and extended their support to the students and staff throughout the programme.

The activity reflected the spirit of NSS—**service, discipline, teamwork, and responsibility**. It also provided volunteers with an opportunity to interact with the new students and help create a warm and welcoming atmosphere during their first experience at the college.
