

Report on Participation in North Zone Pre-RD Camp

Ms. Anitika Bhajaik, an NSS volunteer of B.A. 2nd Year from **Government College Theog**, participated in the **North Zone Pre-Republic Day Camp**, organized by the **Ministry of Youth Affairs and Sports**, Government of India. The camp was held at **Chitkara University**, Rajpura, Punjab, from **21st November to 30th November 2025**.

The camp brought together NSS volunteers from different states, providing a platform for learning, interaction, and personality development. Ms. Anitika Bhajaik represented Government College Theog with great enthusiasm and dedication throughout the duration of the camp.

Experience of Ms. Anitika Bhajaik

Ms. Anitika Bhajaik described the camp as a highly enriching and memorable experience. She shared that she participated in the Pre-RDC camp from 21st November to 30th November, which helped her improve herself in many ways. On the first day, the volunteers reported to the camp, completed registration formalities, and were briefed about the camp rules and daily schedule.

From the following day, regular activities commenced. Each morning began with physical training and drill practice, where she learned proper marching techniques, correct saluting methods, and maintaining coordination within a group. The officers guided the participants with discipline and emphasized its importance in daily life.

During the camp, she imbibed essential values such as unity, discipline, teamwork, punctuality, and responsibility. Living together with fellow volunteers taught her the importance of adjustment, mutual respect, and cooperation. The volunteers constantly supported and encouraged one another.

She also actively participated in cultural programmes, group discussions, and personality development sessions, which significantly enhanced her confidence and communication skills. Despite the demanding schedule and early morning

routines, she found the experience rewarding as it strengthened her both mentally and physically and improved her time management skills.

Ms. Anitika also highlighted the friendships she formed with volunteers from different colleges and regions. Sharing experiences, food, and daily routines made the camp more enjoyable and memorable.

On the final day, **30th November 2025**, the camp concluded with a closing ceremony. She expressed mixed emotions—happiness on successfully completing the camp and sadness while bidding farewell to the friends and officers she had bonded with during the camp.
