

# NSS Unit Government Degree College Theog, Distt Shimla

## Report on Tree Plantation and Nurturing Activity

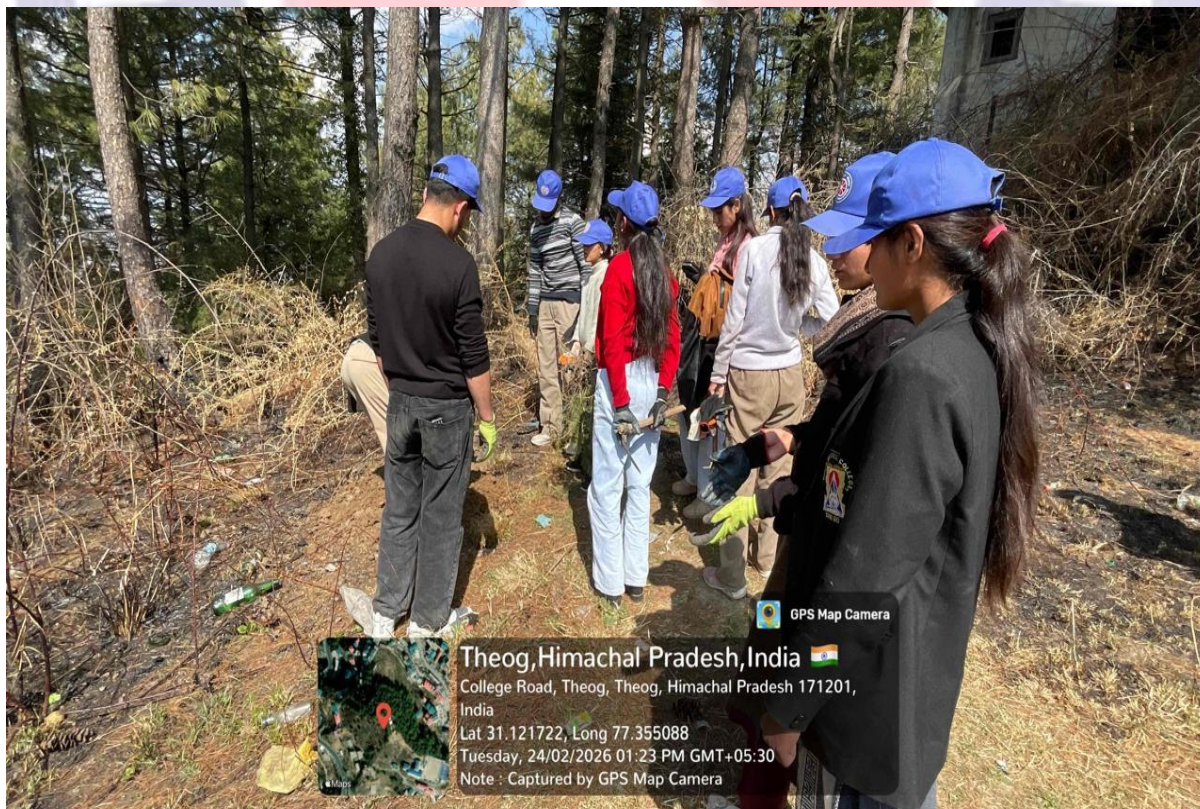

The NSS Unit Govt. College Theog organized a **Tree Plantation and Nurturing Activity** on **25 February 2026** in the area near **Chundu**. The activity was conducted with the aim of promoting environmental conservation and encouraging students to contribute towards a greener and healthier ecosystem.

NSS volunteers actively participated in the plantation drive by planting saplings of various native species suitable for the local environment. The volunteers worked with great enthusiasm and dedication, ensuring proper planting techniques and care for the saplings.

Along with plantation, special emphasis was laid on the **nurturing and maintenance** of plants. The volunteers watered the saplings, secured them with protective measures, and pledged to monitor their growth regularly. Awareness was also spread among the local community regarding the importance of trees in maintaining ecological balance and combating climate change.

The activity not only enhanced environmental awareness among the volunteers but also instilled a sense of responsibility towards nature. The NSS Unit reaffirmed its commitment to continue such initiatives for the sustainable development of the environment.

The programme concluded successfully with active participation and a strong message to protect and preserve nature for future generations.
