Report on Session on Digital Literacy and MY Bharat Portal

The NSS Unit of Government College Theog organized an informative session on Digital Literacy and the MY Bharat Portal on 9 September 2025 to enhance students' awareness about ongoing digital initiatives of the Government. The session was conducted by Dr. Vikas Nathan and Dr. Bavita Thakur, who guided the volunteers through various aspects of digital empowerment.

Approximately 20 NSS volunteers attended the meeting with great enthusiasm. During the session, the resource persons explained the significance and features of the MY Bharat portal, highlighting how youth can benefit from registering and participating in nation-building activities through the platform.

The volunteers were also introduced to various digital initiatives undertaken by the Government as well as the digital facilities available in the college. They actively interacted with the speakers, took detailed notes, and clarified their queries regarding the effective use of online platforms for academic and developmental purposes.

The session proved to be highly informative and beneficial, strengthening the digital awareness of NSS volunteers and motivating them to make optimal use of available digital resources.
