Report on World AIDS Day Celebration Govt. Degree College, Theog 1st December 2025

World AIDS Day was observed with great enthusiasm and awareness at Gama Degree College, Theog, on 1st December 2025. The event was organized by the Red Ribbon Club of the college in collaboration with the NCC and NSS units to spread awareness about HIV/AIDS and promote a sense of responsibility among students toward this global health issue.The program commenced with an opening address by the student host, Vanshita, a B.Sc. final-year student, who warmly welcomed the Principal, faculty members, and students. She highlighted the global significance of World AIDS Day and stressed the need to eliminate stigma and discrimination associated with HIV/AIDS. She also spoke about the theme for World AIDS Day 2025 – "Overcoming Disruption: Transforming the AIDS Response", explaining its relevance in strengthening awareness and community responsibility.

Vanshita further informed the audience about the various activities conducted by the Red Ribbon Club throughout the year, such as slogan-writing and poster-making competitions, blood donation camps, and participation in diverse training programs focused on HIV/AIDS awareness. After giving an overview of these initiatives, a documentary showcasing the essence of HIV–AIDS awareness was shown to the audience. The documentary was made by Mr. Yogesh , a pass-out science student from GDC Theog, who is currently pursuing his Master's in AI from HPU, Shimla. Yogesh was appreciated for the dedicated efforts he had put into creating this impactful documentary. The film offered a deeper understanding of AIDS and highlighted the importance of awareness, empathy, and collective support. The documentary is also available on YouTube and will be uploaded on the college website under the Red Ribbon Club banner.

Thereafter, Vanshita informed the audience about the training program on HIV–AIDS awareness conducted by the Himachal Pradesh State AIDS Control Society at Natyandi, Shimla, on 25th November 2025. She expressed her gratitude to ~~the~~ Principal Sir and the Red Ribbon Club Convener for giving her, along with Samiksha and Devendra, the opportunity to attend the training. As a peer educator, she welcomed Samiksha to share a presentation based on the knowledge gained during the program. Following this, a motivational song on AIDS awareness was played for the audience.Subsequently, Vanshita invited the guest speakers—Mr. Manbir Singh, Block Supervisor at Project Jagriti, and Ms. Poonam Bragta, Outreach Worker at Project Jagriti. Mr. Manbir Singh delivered an inspiring and enlightening lecture on AIDS, covering essential aspects such as antiretroviral therapy, ICT centres, and the need for compassion towards people living with HIV/AIDS. His lecture was highly appreciated by the audience .The program continued with a soulful recitation by Devendra, a B.Sc. first-year student, who presented a poem spreading awareness about HIV/AIDS. This was followed by an engaging and informative quiz conducted by Gaurav and Jatin, B.Sc. final-year students, to assess the audience's understanding of the topic.

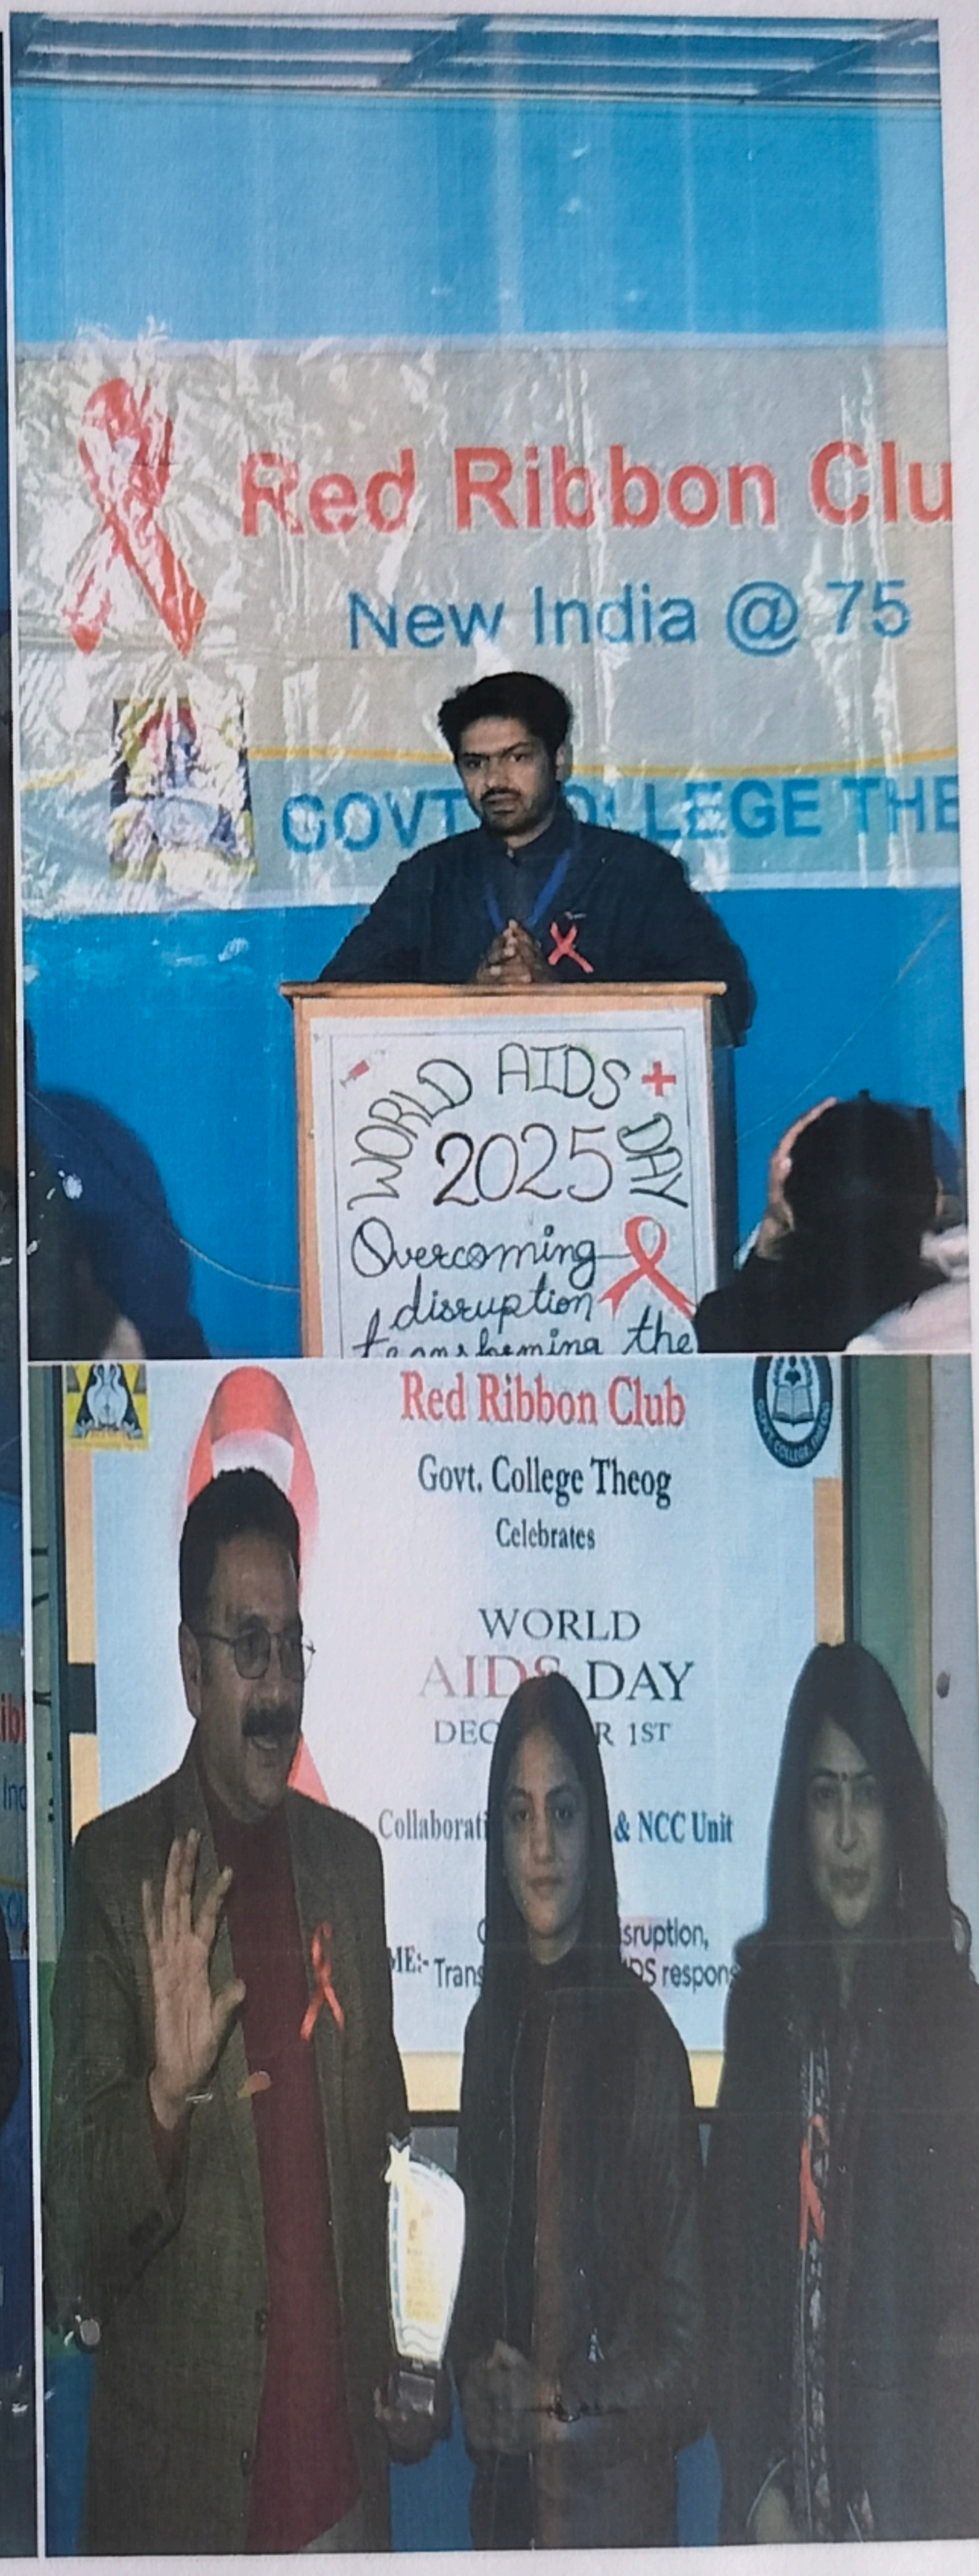

Principal Sir, Dr. Bhuvinder Singh Thakur, then addressed the gathering, congratulating the Red Ribbon Club and the Program Officers of NSS and NCC for their dedicated efforts. He also

delivered a meaningful message on AIDS, encouraging students to stay informed and compassionate.

Dr. Nidhi Dhatwalia, Convener of the Red Ribbon Club, expressed her heartfelt gratitude to the Principal Sir for his encouragement and unwavering support in organizing such meaningful activities. She also thanked all the students and individuals who contributed to the success of the program.The event concluded with the distribution of mementos and prizes. Vanshita received the award for Best Volunteer and Peer Educator. Gaurav and Jatin were awarded for conducting the quiz, Devendra for his poetic recitation, and the prize for Best Presentation on AIDS awareness went to Sumit Sharma, a B.Sc. first-year student. The Best Volunteer memento was awarded to Navneet, also a B.Sc. first-year student.The program ended with the National Anthem. The celebration successfully strengthened awareness, compassion, and responsibility among students. As beautifully summed up in a concluding remark, Awareness is the first step toward change, and compassion is the foundation of a healthier world.
