

# Session 2023-24

In the month of **November 2023** a common function of five departments i.e. Sociology, History, Political science, Public administration and Music department was organized. The of sociology department was “Glimpse of traditional culture of Theog” in which all the students participated through their participations like, they presented their local dresses, local food, jewellery, traditional articals, house hold articals like utensils, eatable, live stoeks, old coins, old system of enjoyments like chausor etc. Some of the students presented local tools and explain the each in a very detailed manner. All the faculty members and students wore the local dresses of theog too.

## Glimpse of some Traditional items

# Report of the Seminar Organised

**Topic:** Action Against the Youth of Drug Addiction – Causes, Challenges and Solutions The Department of Sociology organised a seminar on the above-mentioned topic in month of November 2023. The college Head, **Dr. Bhupinder Singh Thakur**, was invited as the Chief Guest. The following activities were organised during the seminar:

1. Students of B.A. 1st, 2nd and 3rd year participated in a collage making competition. The best three candidates were awarded mementoes as prizes.
2. More than 27 students of different classes of Sociology participated in a poster making competition on the same theme. The first three students were honoured with mementoes.
3. In the seminar presentation, students from each class presented their PPTs. Prizes were given to the best three judged students. **Dr. Raksha Kalta** and **Dr. Satish** contributed as judges.

Every participant tried to present the best ways to eradicate drug abuse from society. Two students from DSE IIIrd year also presented cultural items. The seminar ended with a vote of thanks to the Chief Guest.
