

## **Report on Career Counselling December, 2020**

In December 2020 the Career Counselling and Placement Cell of Govt. College Theog organized a virtual detailed career counselling session for students in which representatives from Taj Hotels take career counselling of B. A. 3<sup>rd</sup> year students of govt. College Theog. In this virtual meeting more than 100 students took part. The representatives interacted with the students to discuss various career opportunities in hotel management and the broader hospitality industry. They provided comprehensive insights into career paths such as hotel management, culinary arts, front office management, housekeeping, and event planning. The discussion highlighted the importance of key skills like customer service, communication, teamwork, and problem-solving in succeeding in the hospitality sector. The Taj Hotel representatives also explained the educational qualifications, training programs, and internships necessary for entering and advancing in these fields. Furthermore, they shared personal experiences and success stories to motivate students and give them a clearer understanding of the industry. The session concluded with an engaging Q&A segment, where students actively participated, seeking personalized advice on career planning and job market trends in hotel management. This interaction was highly beneficial, equipping students with valuable knowledge and inspiring them to consider rewarding careers in the dynamic field of hospitality.
