Report on Himalayan Day Celebration

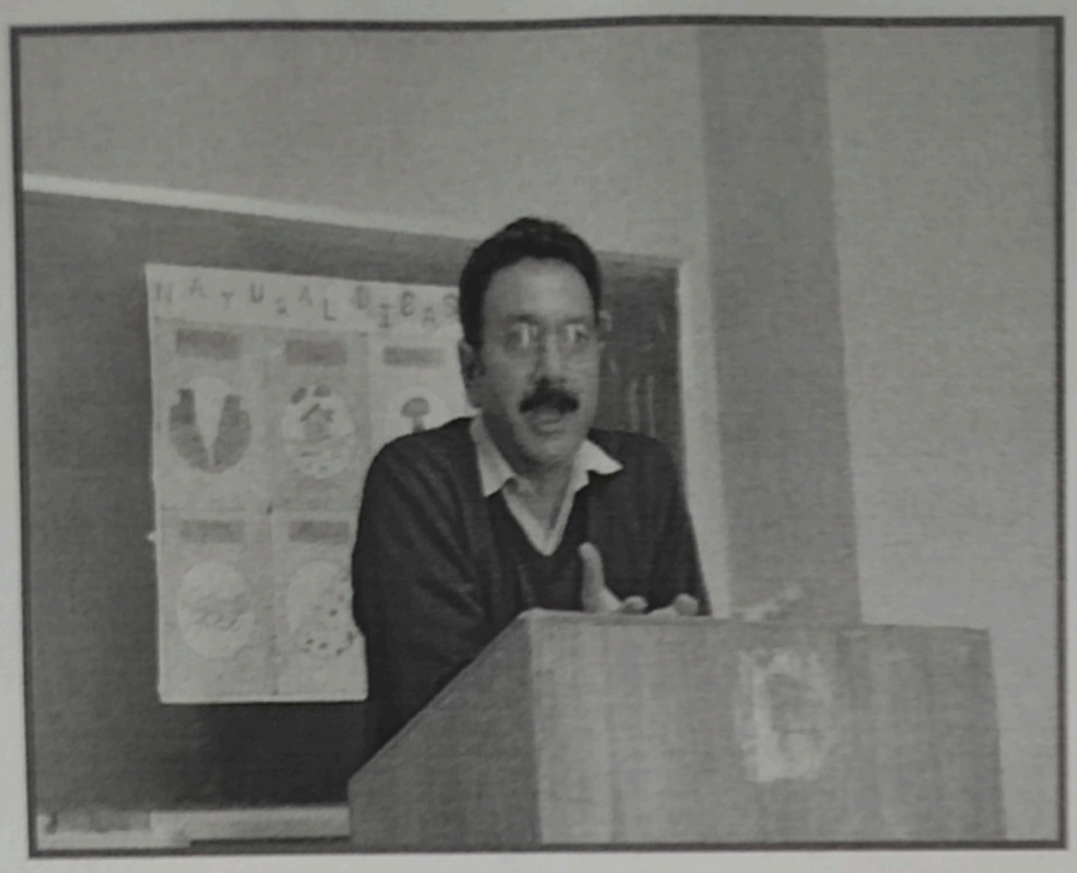

Himalayan Day was celebrated at Government Degree College, Theog, on 9th September 2025 with great enthusiasm and academic fervour. The programme was organised by the Science Faculty with the objective of creating awareness among students about the ecological, cultural, and environmental significance of the Himalayas. In the beginning of the programme, a documentary highlighting the importance of the Himalayas and the need for their conservation was showcased to the students.

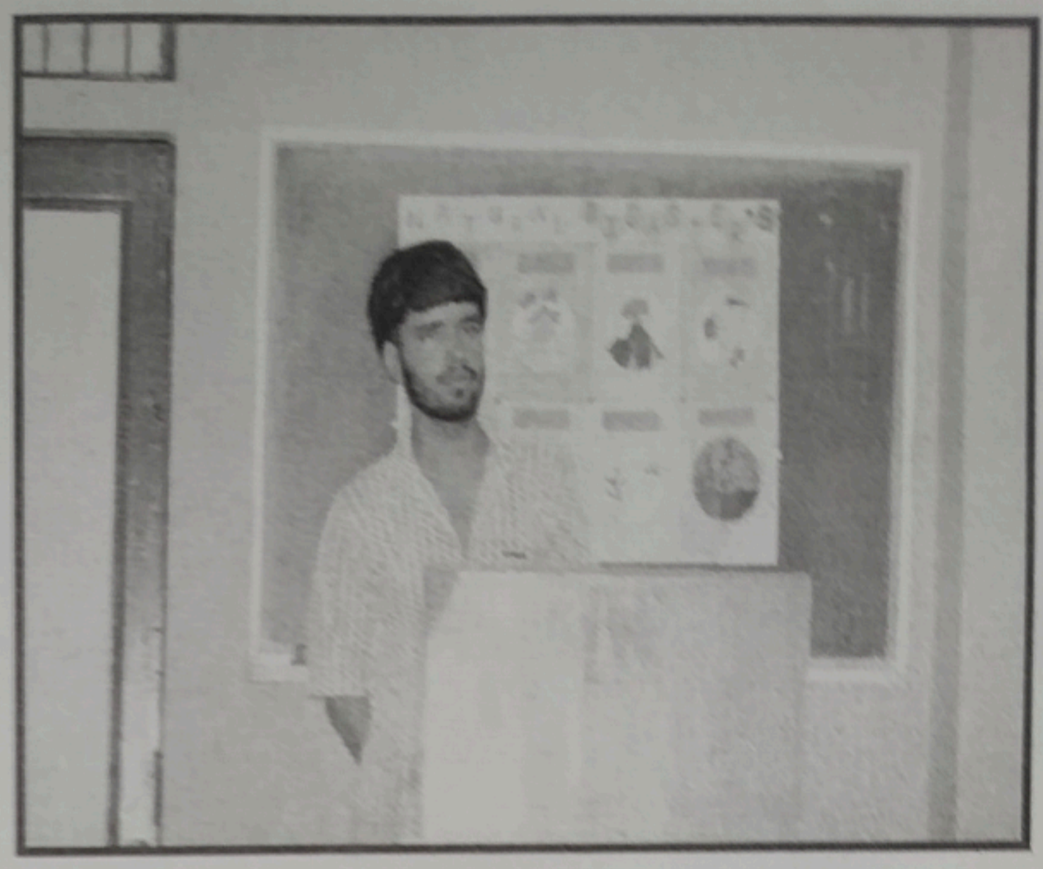

On this occasion, Dr.Bhupinder Singh Thakur, Principal, Government Degree College, Theog, addressed the students and highlighted the importance of celebrating Himalayan Day. In his address, he briefly explained the significance of the Himalayas as a vital ecological system, their role in maintaining biodiversity, and the need for their conservation.The programme witnessed informative presentations by science students. Presentations were delivered by Vanshita, B.Sc. final year student, and Siddharth, Suman, Shikha, Sumitra, and Divender, B.Sc. first-year students. The presentations focused on various aspects of the Himalayas, including biodiversity, climate change, and conservation strategies.

A quiz competition was also organised on this occasion, which was conducted by Gaurav and Jatin, B.Sc. final year students. The quiz was highly engaging and informative, with questions related to the Himalayas and biodiversity conservation. Students participated actively and showed keen interest throughout the session.At the end of the programme, Dr.NidhiDhatwalia, Dean, Sciences, congratulated the Science Faculty for successfully organising the event. She appreciated the students for their enthusiastic and active participation and thanked the faculty members for arranging a well-organised, informative, and enlightening programme. She also lauded the students for their keen involvement, which contributed to the overall success of the event.Overall, the programme was excellent, informative, and enriching for everyone present.
