Report on Tree Plantation Drive

A tree plantation drive was organised by the Faculty of Science in collaboration with the NSS Club of Government Degree College Theog on 22nd August 2025. The drive was conducted by all the faculty members of Science and science students, along with the active involvement of NSS volunteers, aiming to promote environmental awareness and encourage the conservation of biodiversity.

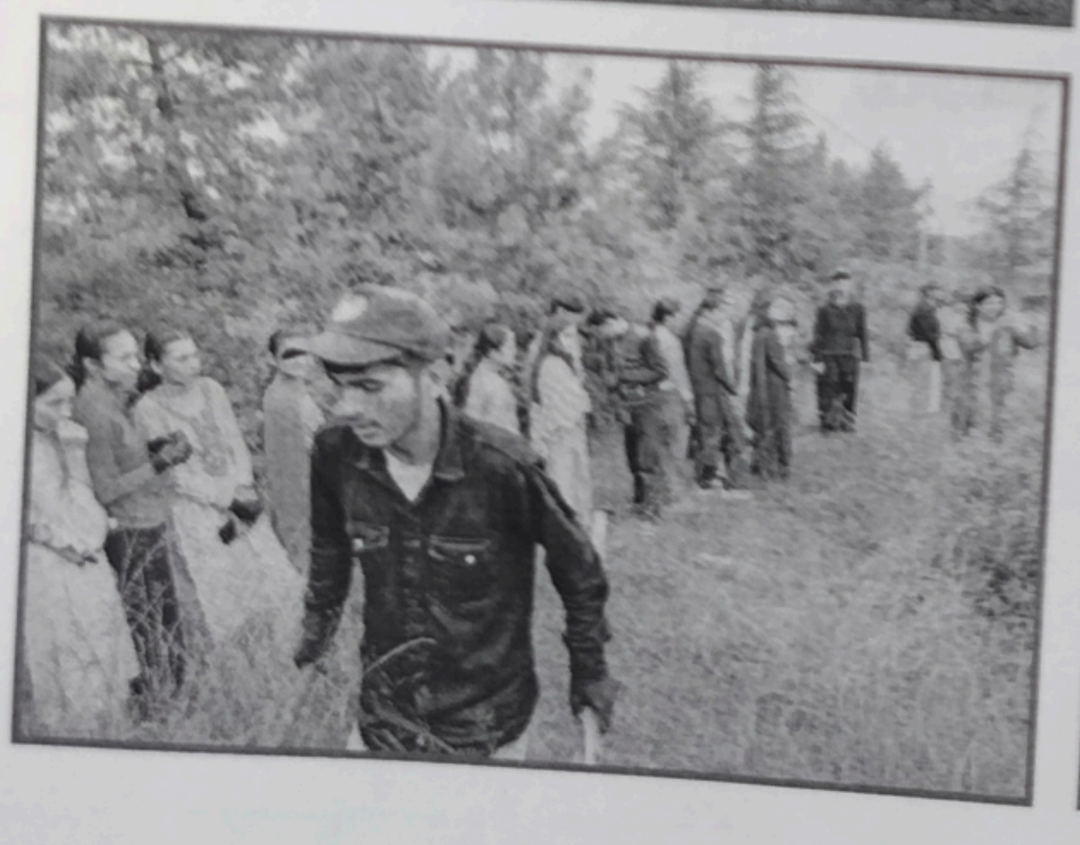

During the drive, around 153 saplings were planted in the college campus and the surrounding areas of Government Degree College Theog. The plantation activity witnessed enthusiastic participation from both students and faculty members, reflecting their collective commitment towards environmental protection and sustainable development.

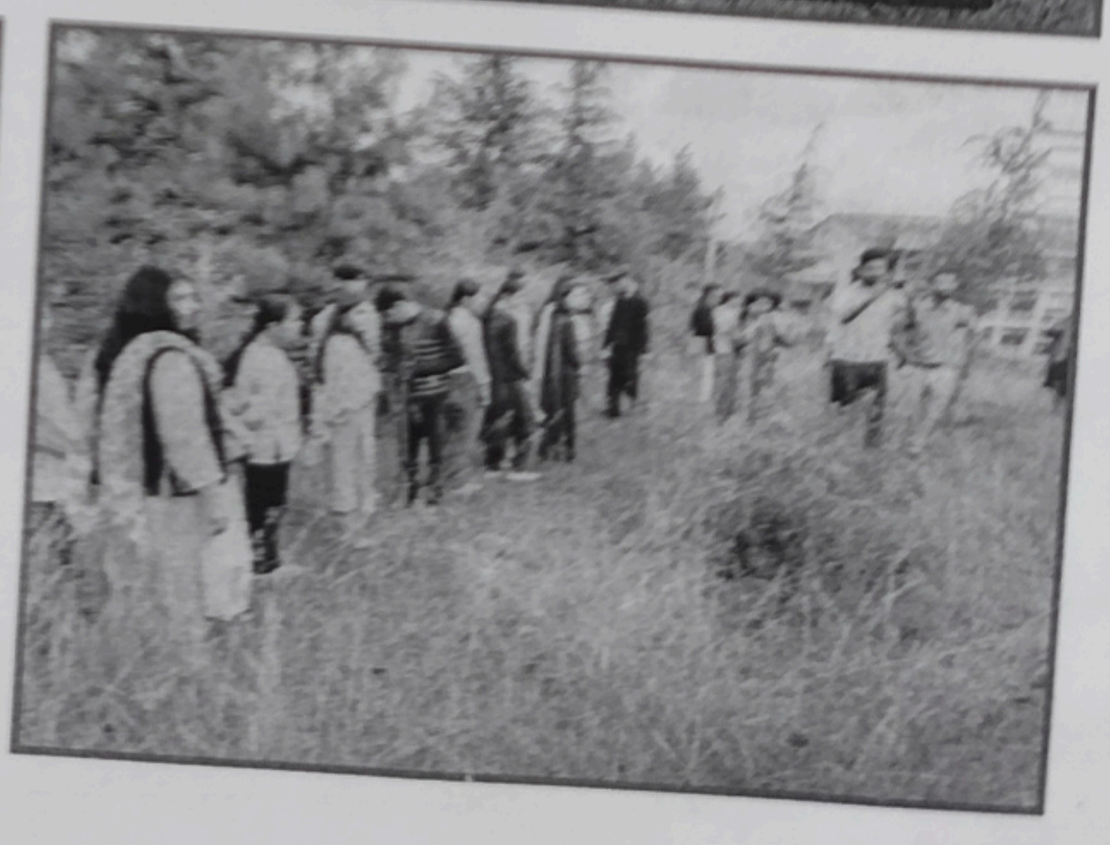

On this occasion, Dr.Bhupinder Singh Thakur, Principal, Government Degree College Theog, addressed the students and emphasized the importance of tree plantation in maintaining ecological balance and preserving biodiversity. He appreciated and congratulated the Science faculty members and NSS officers-in-charge for organising such a meaningful and environmentally significant activity.

The tree plantation drive concluded successfully, spreading awareness about the importance of trees and motivating students to actively contribute towards a greener and healthier environment.
