A Report on National Space Day Celebration held at Government Degree College

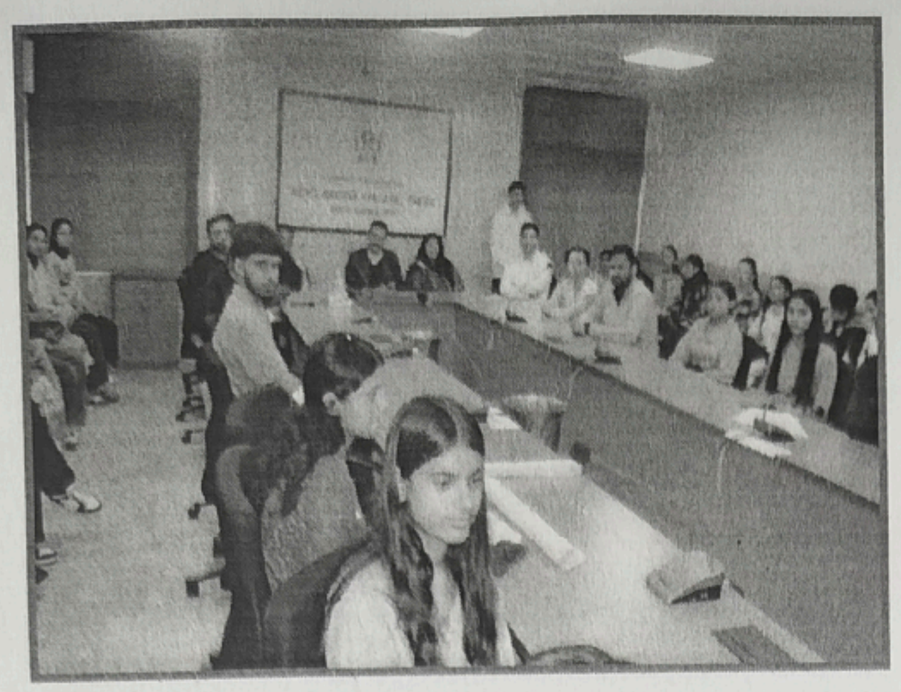

The National Space Day was celebrated at Government Degree College, Theog on 23rd August 2025.The programme was organized by the Science Faculty to promote awareness about space science, innovation, and India's achievements in space exploration. The program began with active participation from students and faculty, including B.Sc. first-year students Samiksha, Devender, Anshita, Shikha, and Siddharth, who delivered informative PowerPoint presentations, and Jatin and Gaurav, who conducted a very enlightening quiz on National Space Day. Other activities included slogan writing, poster-making competitions, and the screening of a documentary on India's contributions to space research. The session was addressed by Dr.Bupinder Singh Thakur, Principal, GDC Theog, who appreciated the students' enthusiasm and highlighted the importance of scientific curiosity and innovation. The vote of thanks was delivered by Dr.Nidhi Dhatwalia, Dean of Sciences, and the program concluded with the National Anthem, marking the successful completion of an inspiring and educational event that encouraged creativity, teamwork, and a spirit of inquiry among the students.
